

Client:	Purity Analytics
Accession #:	2606290650
Search Code:	Puri2606290650
Received:	06/29/2026
Reported:	07/01/2026
Lot:	202509174

Sample Summary

Product:	Alprostadil (20mg)
Identity:	Confirmed
Appearance:	White Lyophilized Powder
Microbial Analysis (PCR):	Pass

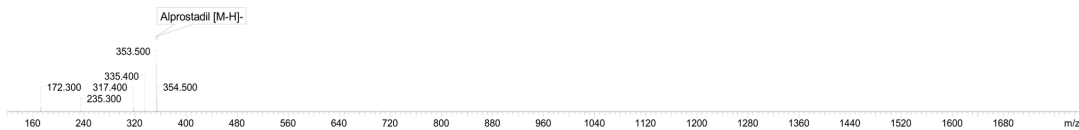

Analytical Results

Test	Result
Identity (LC-MS)	Confirmed

Method: Microbial detection performed using validated polymerase chain reaction (PCR)-based assay targeting common microbial contaminants.

Microbial Analysis (PCR)	No Detectable Microbial DNA	Pass
---------------------------------	-----------------------------	------

Mass Confirmation

Notes/Comments
